Assignment 0123 Feedback

Proficiency *1a* can only go as high as **|** in this assignment because, well, we've only just begun. Future assignments will build you up to a **+** eventually.

Michael A. Fraser   *mfraser42 / mfraser702@gmail.com*

1a — Looks like you're well on your way to a decent level of command line proficiency. And a very extensive selection too, way beyond what was expected in the assignment. Well done! I saw no problems with your DIY repository either; and presumably, your question about files in the "raw" repository was answered in last Tuesday's class session? (**|**)

4d — No problems with looking up information and restating them. (**+**)

4e — Version control frequency and messages are appropriate for the work done. (**+**)

4f — Assignment done on time. (**+**)
